

2017-18 BOCCO REGISTRATION FORM

Congregation Beth Or Sisterhood

<http://bit.ly/CBOSisterhood>

Attention: Parents of College Students & Young Adults

PLEASE TAKE CARE OF THIS AS SOON AS YOU KNOW YOUR CHILD'S MAILING ADDRESS!!

So, it's that time again - seems like we just did this, but it's time to do it again! Getting ready for back to college means updating your mailing address information for the coming school year. If you're already familiar with Sisterhood's gift packages for Rosh Hashanah, Chanukah and Pesach, then you know how much the kids enjoy receiving them. Don't let them be disappointed!

Sisterhood has traditionally sent holiday gift packages to our Beth Or youth during their college careers (both undergraduate & graduate studies). Those who are college age, attend school out of town or close to home, as well as those who are working or not in school, are eligible to receive holiday gifts. These packages contain items and information appropriate to the holiday and other goodies that we hope will bring a smile.

- **Register your child each year:** We do not assume last year's address is correct; please **return** the coupon below to Adina Ardman or e-mail camgoblue@aol.com with the current mailing address.
- The **deadline is 10 days before each holiday**. The list will be updated whenever names are received so your student/young adult can receive holiday packages later in the year if missed earlier ones.

A donation is requested to assist Sisterhood with mailing expenses.

Thank you in advance for your prompt response.

Adina Ardman and Janet Lorraine

Beth Or College & Career Outreach (BOCCO) Committee Chairpersons

camgoblue@aol.com / 966 Talamore Drive, Ambler, PA 19002

Please use the coupon below to register your children who are in college, trade school, working, living away from home or commuting from home, AND want to stay connected with Beth Or.
